

# ALLIES DRIVE TOWARD ROME

## Erie to Build Big Marion Diesel Shop

### MAINTENANCE OF NEW UNITS CENTERED HERE

Hunkin-Conkey Construction Co. To Begin Work at Once on New Plant.

One of the most important developments in Marion's railroad history was announced today when the Erie railroad disclosed plans to build a huge Diesel locomotive maintenance and repair shop right next to the roundhouse in the Erie yards west of Marion. It is expected to make Marion the Diesel maintenance headquarters for the Erie system.

The building itself and the operations it will perform are an important development in railroad maintenance, but the biggest significance was seen in the fact that Erie is expanding on a sizeable scale its operations in Marion.

Coupled with reports current a few years ago that the Erie might withdraw a large part of its operations from Marion and shift most of its Chicago-New York freight to the more level lines of railroads running along the shore of Lake Erie, today's announcement can be safely appraised as a guarantee that all thoughts of a possible withdrawal from Marion have disappeared.

Today's guarantee that the Erie is expanding its facilities in Marion and dropping all thought of retrenchment can be more fully appreciated in the light of the Erie's present employment in Marion—about 1,200 persons.

**Plant's Dimensions**  
The new plant to be built in Marion will be huge—225 feet long, 113 feet wide and most of it will be 47 feet high or higher than a four-story office building. Contract for building it has been granted to the Hunkin-Conkey Construction Co. of Cleveland.

J. W. Smith, chief engineer for the Erie, announced in Cleveland today.

It will service and maintain six Diesel freight locomotives scheduled for delivery in the fall. They will play a vital role in increasing the handling of freight with available manpower, and expediting freight movement through congested areas.

The big Diesels will be twice as long as a conventional locomotive, and their immense power will step up the flow of freight, which is now being handled at terrific pace to help the war effort.

The Diesel shop will be of heavy construction and will be equipped with heavy-duty cranes and elaborate facilities for Diesel servicing and maintenance. Despite its size, it is not expected to require a large operating force at the beginning, because all the locomotives will be new, but as the locomotives go through month after month of regular use, the maintenance force will be enlarged to take care of repairs that will be made necessary by wear. The shop will operate 24 hours a day.

**Service Shop Plans**  
Blueprints show that the building will include a service shop 61 by 220 feet, fitted with platform for locomotive floor level to serve two tracks. The design will facilitate access to the locomotives for changing filters, grinding wheels, changing lubrication and other work.

The repair shop plans call for space 10 feet by 220 feet which will include two pit tracks half the length of the shop for heavy repairs. It will be equipped with a 25-ton overhead crane.

A 50-ton drop table will cross the entire plant, crossing tracks in both the repair and service shops to permit changing of tracks.

The machine shop in the existing roundhouse will also serve the new plant. Mr. Smith said, boiler room and toilet facilities for the Diesel engine workers are provided in the first floor extension at the east end of the main building. The floor above will be used for cleaning engine parts.

In another extension, 50 by 20 feet, at the east end will be a two-story unit providing space for lubricating oil storage and reclamation in the first floor and for reconditioning of engine parts on the second floor.

**Four Huge Fuel Tanks**  
Other facilities shown in the plans include four fuel storage tanks of 25,000 gallons each, fuel pump house adjacent to the storage tanks with a four-inch oil line for transmission to the reconditioning station and a sand drying house which will include a 15,000

### War Summary

**ITALY** — Germans pull into Alban hills, 15 miles from Rome, as Allies roll their line back on both ends. Eighth Army takes last strongpoints on Hitler line and 5th Army captures Cisterna and Littoria.

**AIR RAIDS** — French rail yards hit by U. S. bombers flying from Italy. Bad weather hampers air operations from Britain.

**NEW GUINEA** — Signs seen MacArthur about to jump on Schouten islands in search for air bases near Philippines.

**PACIFIC** — Navy raids on Japanese islands reveal foe weakness in air. Only two planes found on Marcus island, none on Wake.

### SENATE RAPS WARD SEIZURE

Judiciary Committee Issues Sharp Report Criticizing President's Action.

By The Associated Press  
WASHINGTON, May 26 — A senate judiciary subcommittee headed by Senator McCarran (D-Nev.) declared today President Roosevelt had "no constitutional or statutory authority" to issue the executive order under which Montgomery Ward and company's Chicago mail order house was seized by armed troops last month.

The sharply worded report criticized Attorney General Biddle, who assured the President he had authority to issue the order. Secretary of Commerce Jones, who called for soldiers to take over the plant and eject Sewell Avery, Ward board chairman, the conciliation services of the department of labor; the war labor board and the national labor relations board.

Senator Revercomb (R-W.Va.) joined McCarran in the report, but the third member of the subcommittee, Senator McFarland (D-Ariz.) declined to sign it.

A special house committee which undertook a separate investigation of the Ward seizure recessed yesterday until June 6 after hearing Biddle and Wayne Chaffee Taylor, undersecretary of commerce. Avery is scheduled as the next witness.

Chairman Ramspeck (D-Ga.) of the house group told a reporter last week of the hearing had left his position unchanged. "I don't approve of the (Montgomery Ward and company's) conduct in defying the government in time of war," he asserted.

The senate subcommittee did not hold public hearings. It sent an investigator to Chicago shortly after the seizure.

Montgomery Ward had declined to abide by a WLB order to keep a CIO union contract in force until an election could be held to determine the company's status.

### V. F. W. Annual Poppy Sale Opens

The annual poppy sale sponsored by the Veterans of Foreign Wars opened this morning with workers taking their places at 10 o'clock. The Marion county sheriff's office in the courthouse is headquarters for the group of women selling the 5,000 poppies obtained from the soldiers at the home in Sandusky. Proceeds will be used for the veterans and their families of the Spanish-American War, World War I and the present war. Mrs. Lucille Edington is the chairman in charge of the sale.

### FALL KILLS CHILD

DAYTON, O., May 26 — Delores Jean Parish, two-year-old daughter of Mr. and Mrs. Paul Parish, died in a hospital today a few hours after she had fallen from a second story porch to the sidewalk at her parents' home.

### WEATHER REPORT

**OHIO FORECAST**  
Partly cloudy and continued warm tonight and Saturday with scattered afternoon showers, becoming a cold front in northwest portion Saturday night.

### U. S. HUNTS AIR BASES NEARER TO PHILIPPINES

MacArthur Believed About To Make Next Hop to Schouten Islands.

By The Associated Press  
Gen. Douglas MacArthur's quest for airbases ever nearer the Philippines moved westward today on New Guinea's coast and there were signs he was about ready for a 200-mile invasion leap into the aerially strategic Schouten islands.

Allied troops reached the edge of Maffin bay's airbase after overpowering Japanese defenders at Tifloam river. His capture seemed imminent on the basis of a MacArthur communique today. Maffin bay is opposite captured Wakde island off the New Guinea coast 110 miles west of Hollandia and 200 miles east of the Schoutens (pronounced Skow-Tens).

Blak, larger of the two Schoutens, suffered another of the air raids which since May 1 have undertaken to soften it up, presumably for invasion. Heavy bombers struck in a night raid at supply and camp areas. In addition, Noemfoor island 80 miles west of Blak was attacked and 19 parked planes destroyed.

**Jap Claim Loyal Captured**  
On two other Pacific war ground fronts the Japanese claimed capture of Loyal in north China and doggedly clung to Myitkyna in Burma in the face of overwhelming odds. The first Chinese admission Loyal probably was lost came from an army spokesman who said contact with the key rail center had been broken.

The spokesman said Chinese troops had, however, widened their breach of the Hankow-Peking railroad and had stalled Japanese fighting westward of Loyal.

**AP War Correspondent** Thoburn Winton said that in the fight for Myitkyna Brig. Gen. Frank Merrill's marauders were on the city's outskirts, battering at Japanese holes up in the major enemy base. Attempts to reinforce the besieged Japanese garrison were beaten back.

Chinese pushing a two-prong drive from Yunnan province in support of Loyal were nearing the Burma border but still had nearly 100 miles to go.

**5,500 Japs Killed**  
Allied headquarters at Kandy, Ceylon, estimated today that a total of 5,500 Japanese troops have been killed in the Manipur area in northeastern India, where heavy fighting was said to be continuing in the Bishampur sector southwest of Imphal.

### Raids Reveal Jap Weakness in Air

By The Associated Press  
**U. S. PACIFIC FLEET HEADQUARTERS, PEARL HARBOR**, May 26 — Japan's aerial weakness along the Pacific broadhead to Tokyo overshadowed today the devastation left by American carrier planes in a double-bitted slash at Marcus and Wake islands.

Only two Japanese aircraft appeared as filers of Rear Adm. Alfred E. Montgomery's prowling task force gave Marcus a two-day currying with 148 tons of bombs. One was shot out of the air. The other was destroyed on the runway of the tiny island, 1,137 miles southeast of Tokyo.

Not an enemy plane was seen at Wake where the Yanks poured 150 tons of bombs Tuesday, three days after they left Marcus. Installations in flaming wreckage. Wake is 448 miles southeast of Marcus.

Adm. Chester W. Nimitz' announcement of the raids yesterday made no mention of anti-aircraft fire at Wake and presumably there was none for the Americans and three men were the losses reported for the Marcus attack which started Saturday ago today and continued Saturday.

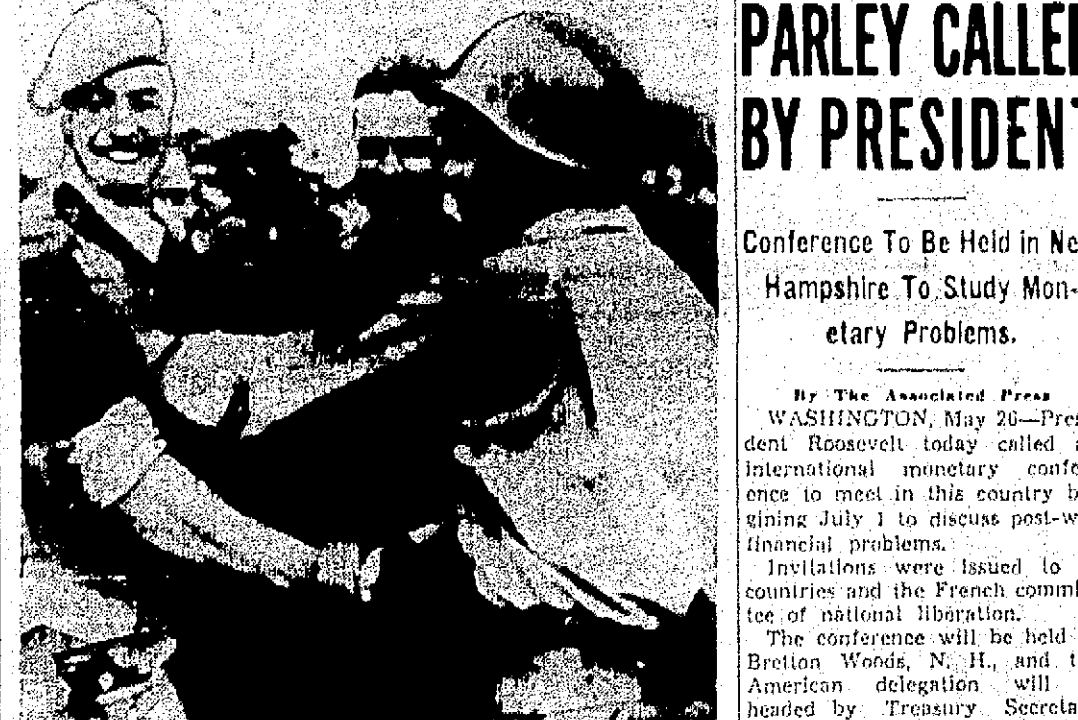

The Japanese had almost nine months since Marcus last tried to build up its air and ground defenses. But the absence of plane strength allowed Montgomery's fliers to pound at will. They flew 373 sorties, plastering airbase installations, supply dumps and buildings. They fired a small cargo vessel north of the island.

### U. S. Navy Now Has 65 Carriers with Fleet

WASHINGTON, May 26 — Sixty-five aircraft carriers now are in active service with the fleet. The disclosure was made yesterday by Artemus L. Gates, assistant navy secretary for air. Gates revealed also that Navy planes of all types soon will total some 37,700.

**MEETING AT BEACHHEAD.** Allied troops in Italy, welded together into a single front, are hammering forward in all sectors toward the final liberation of Rome—a prospect brought within immediate view by a dramatic junction of the Fifth army's main and beachhead forces on the Apennine way. One of the first pictures of the main body of the Fifth army meeting is shown above with Lieut. Gen. Mark Clark, Fifth army commander, surrounded by cheering Yank and British troops. (Official British army film, unit through OWI radiophoto.)

**YANK MEETS TOMMY AT JUNCTION.** Sgt. W. Cumber, (left) of London, England is greeted in the photo above by Sgt. D. Russell of St. Louis, Mo. After the historic meeting of the two forces. (Official British army film unit OWI radiophoto.)

### Two Killed, Two Injured In Marion, Galion Accidents

Two persons were killed and two injured in accidents at Marion and Galion last night and this morning.

Willie White, 27, of near Pedro, O., died in Marion City hospital at 5:45 a. m. today of injuries suffered when he was struck by an Erie locomotive about three hours earlier.

Mrs. Alice Kline of Mansfield was killed instantly and her husband and three-year-old son injured when the motorcycle they were riding crashed under a moving box car at Galion last night.

### Man Sitting On Tracks Killed

Willie White, 27, of near Pedro, O., died in Marion City hospital at 5:45 a. m. today of injuries suffered when he was struck by an Erie locomotive about three hours earlier.

According to police reports, he was sitting on one of the Big Four railroad tracks just opposite Erie street, when he was struck by an eastbound Erie freight train manned by a local crew. Both legs were severed at the knees and his right arm was severed between the elbow and shoulder. He also suffered numerous head lacerations. He was taken to City hospital in Merle H. Hughes ambulance.

White had been released by Marion police about 30 minutes before the accident occurred. He had been taken to the station when he was found in company with another man who was creating a disturbance at the Union Depot. White was found innocent of any charge and was released.

H. B. Jenkins, fireman of the Erie train, told police he had seen the man sitting on the tracks but it was too late to avoid hitting him. In the Marion crew were Karl Hill, engineer; Mr. Jenkins, fireman; John Gruber, conductor; B. A. Landon, brakeman.

The body was taken to Merle H. Hughes Mortuary pending word from the young man's family. He is survived by his wife, Mrs. Imogene Roberts White, daughter of Thomas Roberts of 343 North Prospect street.

## GERMAN LINE ROLLS BACK AT BOTH ENDS UNDER HEAVY BLOWS

Nazis Near Beachhead Withdraw Into Alban Hills, 15 Miles from Rome.

By The Associated Press  
**ALLIED HEADQUARTERS, NAPLES**, May 26 — Allied forces rolled back the Germans today in swift new advances toward Rome at both ends of the Italian battle line.

(A Reuters correspondent with British forces in the Liri valley in Italy reported today that German parachute troops had abandoned the last remnants of the Hitler line last night.)

Fanning out swiftly from the former Anzio beachhead area, now linked to the main front, Fifth army troops captured Cisterna in heavy fighting and plunged forward more than three miles, cutting two important roads leading northward and northeastward.

On the north, the Eighth army captured Aquino and Piedimonte, the last remaining strongpoints of the enemy's once-vaunted Hitler line, and Canadian troops won a bridgehead across the Melfa river, in the Liri valley 13 miles west of Cassino.

Cisterna, which had constituted one of the kingpins of the enemy's line around the

Anzio beachhead, fell yesterday after a savage four-hour battle in which heavy casualties were inflicted on the defenders. American infantry and armor had been battering the town for three days.

Southeast of Cisterna, the Fifth army occupied Littoria, Mussolini's model town in the ancient Pontine marshes, without opposition.

As the Germans pulled back toward their new defenses in the Alban hills, allied air forces continued to smash their fleeing vehicles. A headquarters announcement said more than 1,750 enemy vehicles had been damaged in the past 48 hours.

The total of Germans captured since the offensive began two weeks ago rose to more than 12,000 and the columns continued to file to the rear as the allied forces mopped up captured areas.

In its four-day-old offensive, the beachhead section of the Fifth army captured 2,000 prisoners up to noon yesterday. Among the prisoners were the commander of the 25th German infantry regiment and his staff.

**Straighten Battle Line**  
French and American troops exerting steady pressure in the mountains north of Terracina in a move that rapidly was straightening the battle line out along an east-west axis, captured Monte Vaglia, northeast of Pico, Monte Civitella, west of Velletri, and other important points in that region. The enemy hit back with several local counterattacks.

In their flight from Littoria and elsewhere along the Pontine plain the Germans left behind much equipment. At the southern end of the plain the towns of Sabaudia and Pontine were found unoccupied.

In swift exploitation of the German coastal withdrawal and fall of Cisterna, Fifth army forces cut a lateral road leading to Cassino, 16 miles to the northeast, and another leading in a northeasterly direction to Doganella, three miles off the Apennine way below Cassino. Several enemy attacks directed down the Cassino road were repulsed.

In their advance toward the Alban hills, some 15 miles southeast of Rome, the Germans apparently hoped to make their final stand for the Eternal City. The Americans encountered deep mine fields but enemy artillery fire was lighter than had been expected.

The Navy announced new bombardments of enemy targets in the Anzio area during the past two days. Buildings were destroyed, and gun positions and bivouac areas were well covered with shells, the announcement said.

(Turn to BOMBINGS, Page 10)

### STEWART YOUNG TO ENTER WEST POINT

Passes Final Tests; To Report There on July 1.

Stewart Young, son of Commonwealth Judge and Mrs. Hector S. Young, has received official notice that he has passed the final physical and mental examinations for entrance to the West Point military academy and has been instructed to report there July 1.

The words came from the office of Brig. Gen. Robert H. Dunlap in Washington and followed recent mental and physical examinations taken at Columbus.

Stewart is one of the five valedictorians in this year's senior class at Harding High school. A star athlete, he has won several medals in sports, with a photograph appearing on Page 9 of today's Star.

He won the West Point appointment on the basis of competitive civilian service examinations conducted Jan. 22.

He plans to work at the Marion Engineer Depot until time for his departure for West Point.

Stewart was active in sports at Harding, having played guard position on the basketball team and halfback on the football squad. He participated in high jump and running events as a member of the Harding track team.

### PARLEY CALLED BY PRESIDENT

Conference To Be Held in New Hampshire To Study Monetary Problems.

By The Associated Press  
WASHINGTON, May 26 — President Roosevelt today called an international monetary conference to meet in this country beginning July 1 to discuss post-war financial problems.

Invitations were issued to 42 countries and the French committee of national liberation.

The conference will be held at Bretton Woods, N. H., and the American delegation will be headed by Treasury Secretary Morgenthau. The official name of the meeting will be the "United Nations Monetary and Financial Conference."

**Governments Invited**  
"List of governments and authorities invited to participate in the conference follows:

"Australia, Belgium, Brazil, Canada, Chile, China, Colombia, Costa Rica, Cuba, Czechoslovakia, Dominican Republic, Ecuador, Egypt, El Salvador, Ethiopia, French committee of National Liberation, Greece, Guatemala, Haiti, Honduras, Iceland, India, Iran, Iraq, Liberia, Luxembourg, Mexico, Netherlands, New Zealand, Nicaragua, Norway, Panama, Paraguay, Peru, Philippine Commonwealth, Poland, Union of South Africa, Union of Soviet Socialist Republics, United Kingdom, Uruguay, Venezuela, Yugoslavia."

Presidential Secretary Stephen Early said other American delegates beside Morgenthau have not yet been designated.

Today's announcement followed a series of conferences which Mr. Roosevelt has held with John G. Winant, ambassador to Great Britain; Harry D. White, monetary expert of the treasury; and other specialists in international finance.

Last month Morgenthau presented to congress for information a study broad principles of a proposed \$3,000,000,000 gold-backed stabilization fund which would be used to restore international finance and promote world trade.

**24 Nations Approve**  
That outline was agreed to by treasury technicians of 24 nations.

Under it the United States would put up around \$2,500,000,000; Great Britain, about \$1,250,000,000; and Russia, about \$1,000,000,000. The balance would come from participating nations.

Today's announcement said any international monetary agreements reached at the conference would be subject to approval by individual governments.

While the White House announcement did not say so specifically, it was based on high authority the conference would convene at Bretton Woods.

### Yankee Bulldozer Conquers Italian City of Littoria

By The Associated Press  
**LITTORIA, ITALY**, May 25 (Delayed) — One American bulldozer conquered the city of Littoria, formerly Benito Mussolini's civic pride in the ancient Pontine marshes.

When the Germans ducked out last night, they blew four crates 30 feet down in the four-mile gravel road from the old American camp site to the green-battered Fascist model town.

But after Capt. Joseph Lombard of Hartford, Conn., had finished bridging two canals in two hours this morning to enable the beachhead forces to link up the main Fifth army, he put his combat engineers to work at the approaches of Littoria.

One bulldozer had scraped a new track across German demoli-

## Gentile's Nerves Let Him Down As Neighbors Roar Welcome

By GWEN RIGGLE  
AP Staff Writer

PIQUA, O., May 26.—The nerves that made Capt. Don S. Gentile America's ace of aces in the European theater wavered momentarily last night as fellow townspeople formally welcomed him home.

Neighbors who grumbled when he performed aerial acrobatics over the rooftops a few years ago, now praising him as the city's hero.

**TUROFF'S**

"Where Good Food and Good People Meet"

Gen. Gentile's nerves quickly returned as he quickly overcame a fainting spell as he was being taken to the hospital. He will be flying again before the end of the 30-day leave.

The celebration was organized in the town's history as townspeople shared a doleful rain to greet Gentile in the claim of a hero come home.

Paul Herbert Speaks

Lieut. Gen. Paul M. Herbert voiced congratulations from the state of Ohio in the absence of Gov. Bricker in the south as a speaking tour.

"Because of his (Gentile's) exploits the outstanding community in the United States today," he said, "Ohio is proud to have a man of his caliber."

And it all was just too much for the 23-year-old Mustang fighter pilot.

Tears Fill His Eyes

Tears filled his eyes as he watched his parents, Mr. and Mrs. Patty Gentile, drink in the acclaim accorded their son by speakers at Roosevelt stadium.

The pilot's voice faltered as he groped for words of thanks, then told a crowd of more than 20,000.

"I do not consider this magnificent demonstration a personal honor. Rather it is a tribute to all the boys who are so gallantly fighting this war."

And his hand shook as he reached out to accept a gold watch which bore the inscription: "From the grateful citizens of Piqua."

# Dewey Given Slight Edge Over ADA AND CAREY MEN Roosevelt in New York Poll LISTED WITH MISSING

By GEORGE GALLUP  
Director, American Institute of  
Public Opinion

PRINCETON, N. J., May 26.—A slight edge in popularity was given to Franklin D. Roosevelt in a poll of New York voters today. Dewey, however, was given the edge in the governor's race. The poll was conducted by the American Institute of Public Opinion, Princeton, N. J., and was based on 1,000 interviews with voters in New York state.

NEW YORK STATE  
DEWEY ..... 52%  
ROOSEVELT ..... 48%

President Roosevelt carried New York in the 1940 presidential election by a comparatively small margin—52 per cent of the major

party vote. Four years before that, in 1936, he won the state with 60 per cent.

New York is of course generally considered the key state in any presidential election because it has the largest number of electoral votes—47. Since 1875 only one candidate has ever succeeded in winning the presidency without carrying New York. He was Woodrow Wilson.

Wilson lost the state to Charles E. Hughes in 1916, but was elected, although by a small margin, in the electoral college. It should be emphasized that today's figures on Dewey and Roosevelt reflect the situation only as of today and do not constitute a prediction of what will happen next November if these two men are the contenders. Between now and November the institute will be polling New York state at almost weekly intervals. These surveys will reflect changes in sentiment brought about by the Republican and Democratic nominations, by events on the home front, and in Europe and in the Pacific, and by the political strategy of the two parties.

Fatal accidents in and around American homes numbered about 31,000 in 1943—an increase of 1,000 over 1942.

WASHINGTON, May 26.—Names of Chicanos missing in action were made public today by the war department. They are, with next of kin:

European area:  
Capt. Sgt. James L.—Mrs. Ruth F. Cast, wife, Monroe.  
Crall, 2nd Lt. Robert O.—Mrs. Julia K. Crall, wife, Mansfield.  
Farkas, Tech. Sgt. George P.—Julius W. Farkas, father, Palmettoville.  
Jones, Sgt. Clarence D., Jr.—Mrs. Helen S. Jones, mother, Massillon.

Mediterranean area:  
Chonka, Tech. Sgt. John—Mrs. Sylvia Chonka, wife, Miles.  
Dailey, 2nd Lt. Judson L.—Alfred F. Dailey, father, patriot.  
Deringer, Staff Sgt. George A.—Ora J. Deringer, father, Ada.  
Fuller, 2nd Lt. John C., Jr.—Mrs. John C. Fuller, wife, Chillicothe.  
Gordon, Sgt. Marvin H.—Mrs. Marjorie Gordon, wife, Bristolville.  
Headrick, Lt. Col. William J., Jr.—Mrs. Mary E. Headrick, wife, Patterson Field.  
Pezel, Staff Sgt. John A.—Mrs. Katherine Pezel, mother, Canton.  
Schira, Sgt. Raymond J.—Charles A. Schira, father, Carey.  
Watkins, Sgt. Thomas B.—Arthur H. Watkins, father, Athens.

## Bachelor's View of Women

By VIVIAN BROWN  
Associated Press Feature Writer

Joseph Mayer, author of "The Impolite Mirror," admits he's a bachelor at 68 because "I never found a woman I love more than myself."

Don't get the impression, however, that Mr. Mayer knows nothing about women. He says they've had a great deal to do with the publication of his book, which, in 257 numbered paragraphs, not necessarily related one to the other, treats of women, men and nearly as many subjects as there are paragraphs. Says he:

"I've studied women all my life both from the point of view of a man who's been in business 48 years and as a man who loves them and appreciates them for what they are."

Two aphorisms in his book—"Women are not complicated—their problems are"—and "A woman loves to be understood by a man except when she is up to something"—might leave the impression that Mr. Mayer is suspicious of the girls.

Rather, he says, he studies them impartially, though he insists he is not a "wolf." Mr. Mayer has had ample time to study the working girl, and has great admiration for her. The right kind of man, he says, is a man who is naturally fond of one or more women and if he isn't

JOSEPH MAYER ...  
Loves himself best ...

there is something wrong with him.

As executive vice-president of the world's largest department store for 28 years before his retirement, Mr. Mayer has had ample time to study the working girl, and has great admiration for her. That's one reason why, when he

decided to publish his book, he selected the Island Press, a publishing firm composed almost entirely of women and founded by a woman.

He believes a business girl should size up her employer as advising.

"If she crosses her legs and the man is visibly disturbed, she shouldn't take the job. If the man isn't moved, she shouldn't take the job. If the man is casually impressed, he's normal."

After the war, Mr. Mayer predicts, women will want to return to being housewives—they will treat it as a profession and may even want to be paid for it as are many European women. "Conscious that they have been meeting man on his own level, even wearing his pants in facelies, they will feel they deserve similar compensation in the homes for efforts expended."

Cardington Rotarians On  
Morrow Co. Farm Trip

Eighteen members of the Cardington Rotary club spent Thursday evening, May 18, viewing improved pasture and meadow plots in the Cardington and nearby community of Edison. Cecil Maxwell, program chairman, was in charge of the tour assisted by the Morrow county Headwaters Soil Conservation District personnel. At the Howard and Neil Patzer

farm, the Rotarians viewed Ladino clover being used for hog pasture. At the Paul Maxwell farm they observed the results of the trash mulch cultivation seedling made last summer. As a result of an abundant amount of fertility, the alfalfa and grass were far enough along to be cut for the first time on May 18. To the knowledge of the Headwaters District technicians, this is the earliest of any hay harvest in the district. The group later went to the Lowell Patterson farm north of Cardington and to the

Glen Guither farm. Harley Lepp, chairman of the Morrow county Headwaters Soil Conservation district, has announced a meeting of the board of supervisors for Friday night at the court house in Mt. Gilead.

## Censorship Chief Praises U. S. Papers

By The Associated Press  
WASHINGTON, May 26.—Censorship Director Byron Price says he is unable to find a single case where a newspaper or other publication "deliberately" violated the voluntary wartime censorship code.

Testifying to the house appropriations committee at hearings made public yesterday, Price said: "The attitude of the press has been magnificent. There have been some mistakes and some inadvertent violations of the code... I think the record is exceptionally fine on that, in view of the manpower situation on newspapers today, where most newspapers are being run by green hands."

Price said a free press has been maintained but it has not been "criminally careless with military information in wartime."

**Give your neck a break!**

You'll sing the praises of  
**Van Heusen Shirts**  
with the famous Van Heusen collar attached

**225**

HERE are our new Van Heusens—and they're honeys! In addition to the famous Van Heusen collar attached (no other shirt has a collar like it!)—they're real examples of the shirtmaker's art. Quality materials, skillfully tailored... cut to fit your figure, but with plenty of action room at shoulders, elbows, armholes... Sanforized for lasting fit.

If you want the heavenly comfort of a smooth-fitting collar, day-long neatness without starch, and a top-notch shirt—come in and see our Van Heusens!

**FRANK BROS.** OPEN TONIGHT TILL NINE  
Saturday Store Hours  
9:30 A. M. to 6 P. M.

FEELS LIKE A HAIL— and just as neat. Can't wilt! can't wrinkle, stays fresh without starch! That's real collar comfort with the Van Heusen Shirt!

SMOOTH AS A CHIEF'S CHEEK—this collar's woven—not just sewed—to fit the human neck. Woven in one piece with no lining to buckle.

LAUNDRERS LIKE AN ANGEL—even the collar's foldline is woven in, can't be ironed wrong. Van Heusen Shirts are Sanforized and laundry-dry-tested too!

"No, Skipper...we'll know when it's Daddy's plane..."

"I don't know HOW...but we shall."

"There'll be something in the deep throbs of the engines that will be like Daddy's deep voice. And it will be saying..."

"My job's done, darling... my job's done, Skipper... I've come home!"

"As simple as that."

His job done!

None of us... not even his wife... or Skipper... will ever really know what he's going through to do that job. The loneliness. The weariness. The unashamed terror. The silent, heart-knotting sorrow at the end of missions that were the last for so many with whom he'd laughed the night before.

He won't talk about it. Not much.

But there'll be times when he'll be thinking about it. And when he does... when you see that strange, far-away look in his eyes...

it's possible... just possible... that you'll feel a little more comfortable if...

Well, if you know you bought more War Bonds than you "could." That you went to the blood bank instead of just "intending" to...

If you know that you accepted rationing cheerfully. That you worked a little harder at your war job than you might have. That you did everything expected of you... and a little more.

You might feel a little more comfortable, don't you think? We all might.

## NEWS FROM OUR BOYS

Herman O. Hamilton, son of Lawrence G. Hamilton of 127 East Washington street, has reported to AAF Training Center at Tuskegee Army Air Base a course of instruction in the B-17 Flying Fortress.

Upon completion of his course, Hamilton will be a first pilot. He won his wings at Stuttgart, Germany, and his previous flying was at Jackson, Tenn., and at Camp. Prior to induction into the Army, he was a draftsman at Huber Manufacturing

Three Marion men are receiving naval indoctrination at the U. S. Naval Training Center at Great Lakes, Ill., according to reports from the station. They are:

James E. Milliron, 17, son of Mr. and Mrs. E. H. Milliron of 819 Third avenue; Donald F. Trimble, son of Mr. and Mrs. F.

## Piles Are Never 'Mild'

DANGER IN NEGLECT

No one should ever think of piles (hemorrhoids) as a "mild" disorder.

Although they may seem a "mild" ailment, especially when not giving pain or inconvenience, piles are in fact tumor formations without tendency to heal themselves. Instead, they are likely, if neglected, to keep increasing in size, involving more and more of the rectal area.

Even a so-called "mild" case may be expected to undermine one's health, by "inviting," predisposing to or aggravating other ailments, such as: indigestion, biliousness, stomach trouble, constipation, headaches, pain in the back and down the legs, secondary anemia with its run-down tired feeling, and general nervous irritability.

Removal of piles is the only permanent relief. This can be done without knife, drugs or loss of time from work.

street. A third son, Dean Baker of Ashland, has been called for Navy training. Mr. and Mrs. Don Baker and Mr. and Mrs. Dean Baker recently returned from the New York base where they visited with Seaman Baker.

Cpl. Robert Steen has arrived in India, according to word received by his parents, Mr. and Mrs. John Steen of west of Morral.

Mother's day greetings of cards and flowers were received by Mrs. Cliff Steele of 816 Congress street from her sons, Pvt. Rex H. Steele, stationed somewhere in England, and Richard A. Steele, gunner's mate third class, stationed in New York City.

Cadet and Mrs. Lowell Donald Cook are now at Moody Field, Ga. Cadet Cook having been transferred there for advanced flying from Shaw Field, S. C. Mrs. Cook is the daughter of Mr. and Mrs. Harry Key of 650 Mt. Vernon avenue and Cadet Cook is the son of Mr. and Mrs. Lowell L. Cook of 140 Chicago avenue.

Former Aviation Cadet Russell Eugene Reichardt of 294 Chicago avenue was recently graduated from the AAF Pilot School at Moody Field, Ga., and appointed a flight officer, according to word from the field. He will be assigned to piloting multi-engine aircraft, such as light, medium, or heavy bombers, transport or cargo planes.

Mother's Day greetings from Vernis M. Street, seaman second class, were received by his wife, Mrs. Edna Street, of 384 Quarry street. He is stationed in Bermuda.

Owen D. Wilson, aviation machinist's mate third class, spent a 15-day leave with his wife, Mrs. Betty Wilson and son Roger of 105 London street, and his mother, Mrs. Mae Wilson of North Main street. He is stationed at Seattle, Wash.

Pvt. Raymond K. Seitter has returned to Fort Ord, Calif., after spending a nine-day furlough with his wife Mrs. Maxine Seitter and daughter Janet Marlene of 450 Evans road and his parents, Mr. and Mrs. F. P. Seitter of near Prospect. Pvt. Seitter was transferred to an Amphibious Tractor battalion after graduating from the Armed Force Mechanic school at Fort Knox, Ky., last month.

Lawrence Baker, seaman second class, has been transferred from Brooklyn, N. Y., to a signal school at Manhattan Beach, according to word received by his parents, Mr. and Mrs. D. J. Baker of Buffalo, N. Y., who are visiting here with another son and family, Mr. and Mrs. Don Baker of 577 Davids

street. A third son, Dean Baker of Ashland, has been called for Navy training. Mr. and Mrs. Don Baker and Mr. and Mrs. Dean Baker recently returned from the New York base where they visited with Seaman Baker.

Mother's day greetings were received by Mrs. N. O. Burdett of 300 Thompson street from her son in the Navy and from a Navy man who formerly lived at the Thompson home here. The men are Carl Burdett, gunner's mate stationed in the Atlantic war area, and Joe McKnight, ship's cook stationed in the South Pacific zone.

## WEEK'S SALES TAX TOTAL RISES IN MARION COUNTY

Gain of 5.9 Per Cent Recorded Over Preceding Year.

Sales of prepaid tax receipts in Marion county for the week ended May 13 amounted to \$8,339.47, a gain of 5.9 per cent over the collection for the like week last year, \$8,340.76. Collections to date were listed as \$151,029.43, last year, \$133,541.46.

For the week ended May 13 figures for the sale of the tax stamps throughout the state stood at \$1,117,645.82 as against \$1,090,651.32 for the comparable week last year, the office of Don H. Enright, treasurer of state, reported. Collection total to date was \$19,182,478.19; last year, \$19,020,964.55.

Total collections for the week ended May 13 in counties around Marion and collections to date with those for last year in parentheses follow:

Crawford, week ended May 13, \$4,525.14 (\$3,713.83); collections to date, \$74,516.10 (\$71,982.18).

Delaware, week ended May 13, \$1,800.82 (\$1,017.22); collections

## MARION FLIER GETS WINGS, COMMISSION

Junior Cassel Ballinger Ends Course at Turner Field.

Junior Cassel Ballinger, son of Mr. and Mrs. Forest Ballinger of 253 Forest Lawn boulevard, has been commissioned a second lieutenant in the Army Air Forces, according to word from the public relations office at Turner Field, Albany, Ga. He had been taking his advanced pilot training at Turner Field and received his wings following the culmination of the Aviation Cadet training, on May 23. He is now home on a 10-day leave.

Lt. Ballinger graduated from Harding High school in 1941. He entered the service as an Aviation Student Feb. 20, 1943. Between graduation and induction he was associated with his father in the constructing business.

His marriage to Miss Marian Schneider, daughter of Charles W. Schneider of 216 Forest street will take place tomorrow, Friday, June 2. Lt. Ballinger will report back to Turner Field for assignment.

to date, \$36,613.24 (\$34,536.32).

Hardin, week ended May 13, \$3,316.01 (\$2,626.15); collections to date, \$45,096.59 (\$44,482.56).

Morrow, week ended May 13, \$754.48 (\$344.49); collections to date, \$10,799.16 (\$9,322.67).

Union, week ended May 13, \$1,354.04 (\$1,027.51); collections to date, \$26,650.97 (\$23,827.47).

Wyandot, week ended May 13, \$1,815.58 (\$2,050.63); collections to date, \$28,043.29 (\$28,864.55).

## Petticoat Alger in Brooklyn

By ADELAIDE KERR  
Associated Press Writer

MARY DILLON

When is an example of a woman can do by cutting down on her time.

Mary Dillon, who is president of the Brooklyn Borough Gas Co., has been elected the first woman president of the New York City council of defense.

Besides that, she is a member of the city council of defense, the mayor's advisory committee, and as a director of the Chamber of Commerce and the Brooklyn Institute of Sciences.

It is all done by economy. Though she never says so, she doesn't waste time. She rises at eight, goes through her exercises, takes the lightning, breakfasts, and then walks to her office, which is only a few minutes' walk from her home overlooking New York city. She works straight through until six. Her lunch—usually only a pot of tea—is brought to her desk. "I don't like to interrupt my working day," she says. Work done, she walks home and is ready for dinner by seven, long evening before her.

Divides Time

Mrs. Dillon plans to give one day a week to her job as chairman of the board of education and one day to reading a week in preparation for it. But generally she does not combine work with her recreation hours or the reverse.

She plans to leave out cocktail parties, dinners and public meetings, she explains. "They just don't fit in."

But she plays at least twice a week. She loves dancing and the theater and goes to the opera every Sunday night in season. In summer she also takes a daily dip in the sea in front of the white house where she lives with her husband, Henry Farber, a retired business man.

In spite of her rigid schedule, Mrs. Dillon is not the dynamo type of executive. She is a small, quiet, blue-eyed, quiet-voiced woman who dresses in simple dark suits and frocks with a frilly white touch at the throat. She was born in New York, one of a family of twelve. She stopped school before she was graduated from high school, went to work at the Brooklyn Borough Gas Co. when she was 18, and climbed surely and steadily from an office girl job to the presidency.

Likes Education Work

Mary Dillon looks forward with keen interest to her work as chairman of the New York board of education.

"Times and events are changing the social scene rapidly," she said. "If there is not to be a lag in the educational preparations to meet these changes, much thinking and planning must be done now. The trend is to concentrate administrative duties in the operating head of the system, which is the superintendent of schools, in order that the board may devote itself to policy making and the needs of the public."

After her election, telegrams and letters poured into her office. One of Miss Dillon's favorites came from a bachelor business acquaintance.

"Dear Mary," he wrote, "Radio wave and printed word."

"Proclaim you president of the board."

"Had I known of this boon to education."

"I'd have added ten children to the nation."

## 15 MORE JAP SHIPS SUNK BY U. S. SUBS

By The Associated Press

WASHINGTON, May 26 — American submarines, ripping Japanese supply lines throughout the Pacific, have sunk another 15 vessels including a destroyer and a transport, the Navy announced yesterday.

The new bag brings to 724 the number of Japanese ships sunk, probably sunk or damaged by American submarines. Included in that total are 573 definitely sent to the bottom, 36 probably sunk and 115 damaged.

Sinking of the destroyer brought to 47 the number of warships of the Japanese fleet destroyed by American submarines which have operated even along the coastline of Japan.

Each recent announcement of submarine sinkings has included at least one ship from the enemy's fighting fleet, indicating the Japanese are attempting unsuccessfully to combat the daring Amer-

ican submarine crews who have been cutting off supplies to enemy garrisons throughout the Pacific area.

Included also in the latest bag were three tankers, vitally needed by the Japanese to keep their planes and ships supplied with fuel at far-flung garrisons, three cargo transport ships and seven cargo carrying vessels.

## I. C. Bean Again Marion Alber's Market Manager

Ira C. Bean has returned to Marion after an absence of 11 months and is again manager of Alber's Market on East Center street, replacing George F. Smith of North Prospect street.

Mr. Bean served as manager of the Marion store for almost a year before being transferred to a market in Xenia, O.

He is married and has three children at home. They are living temporarily at a hotel. Mr. Bean also has a son in service and a married daughter in Delaware.

Mr. Smith was transferred to Alber's Market in Columbus.

## C. W. SMOOT JR. GETS WINGS, COMMISSION

Home on Leave After Finishing Fighter Pilot Course.

C. W. Smoot Jr., 20, of 564 South Vine street, was awarded the silver wings of a pilot and a second lieutenant commission at graduation exercises held at Napier Field, a fighter pilot field, at Gothan, Ala., on May 23.

He enlisted in 1942 and was inducted into the Air Corps Feb. 20, 1943. He received his training at Miami Beach, Fla., High Point College, High Point, N. C., Maxwell Field, Montgomery, Ala., Darr Field, Albany, Ga., Greenwood Army Air Field, Greenwood, Miss., and Napier Field, Dothan, Ala. He was graduated from Harding High school in 1941 and attended Ohio Northern university prior to his induction.

Mr. and Mrs. C. W. Smoot Sr. and daughter Patricia attended the graduation exercises and accompanied Lt. and Mrs. Smoot Jr. home where he is spending a 15-day leave, after which he will return to Napier Field.

## Record Number of Valedictorians at Harding High

STEWART YOUNG BETTY BOND REX KILBOURN  
EDWARD BREITHAUPT ELEANOR PLANCK CHARLES ELLIOTT

### Five Share Valedictory Honors; Salutatorian Also Announced.

Five seniors at Harding High school will share valedictory honors at the annual commencement exercises June 2 as the result of all five having attained perfect scholastic records in each of their four years of high school—a situation without precedent in the history of the school.

The five sharing honors as valedictorians are Charles Elliott, Eleanor Planck, Stewart Young, Rex Kilbourn and Betty Bond. All had perfect "A" averages. Edward Breithaupt, with an average of 3.909, was named salutatorian.

The selections were announced today at Harding High school after grades for the four years had been compiled.

The nearest approach to the record number of perfect scholastic records among the seniors was written into school records a year ago when Mary Jane Llewellyn and Thelma Bratton shared honors as valedictorians.

Commenting on the record, Albert C. May, Harding principal, said the five sets of perfect grades reflected a high scholastic standing for the class as a whole.

The valedictorians' rank is based on the average of grades of the first seven semesters of high school, covering four years of school.

Eleanor Planck was '43-'44 editor of the radio script presented weekly by Harding students. She lives at 781 Mt. Vernon avenue.

Eleanor is a member of the G. A. A. and Girl reserves and appeared in the senior play as did two other valedictorians, Charles Elliott and Rex Kilbourn.

Betty Bond, who made a four-point average in the general course, has been cheerleader for four years. She has been a cheerleader at Harding for three years and at Thomas Edison Junior High for one year. Betty is a member of the student council and the Titonian club and lives at 633 Henry street.

Charles Elliott, who lives at 264 South State street, is enrolled in the college preparatory course and is Star sports editor. Centering his school activities in his position as president of the Harding Student council, school self-government group. Last year he was junior class president. In July, he will report for Navy V-12 college training.

Also with an "A" average is Stewart Young, who lives at 203 Kensington place. Active in both football and basketball, Stewart received N. C. O. league honors in both sports. He is treasurer of the senior class and is studying in the college preparatory course. Stewart will enter West Point military academy in July, having been appointed and passed the necessary examinations.

Rex Kilbourn, who has received N. C. O. league honors in basketball, was also active in track and football, lives at 668 Concord avenue. After graduation from the college preparatory course, Rex will enter the armed forces.

Edward Breithaupt, salutatorian, lives at 327 Marion avenue. He is enrolled in the college preparatory course. Edward attended Thomas Edison Junior High school before coming to Harding. He is a member of the Senior Hi-Y.

The valedictory address, customary part of many school graduation ceremonies, is not used in Harding commencement and no special recognition of the five high members of the class has been planned in the commencement program, Mr. May said.

### Morrow County REA Marks Anniversary

The Morrow Rural Electric Cooperative, Inc., at Mt. Gilead marked its sixth anniversary of supplying electric service to farmers and other rural consumers in the area on May 9, according to the manager, C. A. High.

Since the cooperative's lines were first energized in 1938, it has reached 1,328 consumers. Farms served by the cooperative have increased from 1,232 to 1,287 during the past year.

War Production Board regulations since January 1943 have authorized the connection to rural power lines of nearby farms able to use electrical equipment in livestock, dairy and poultry production. Farms connected to the cooperative's lines under the WPB regulations use water pumps for livestock, milking machines, milk coolers, chick brooders, and other electrical labor-saving and food-producing devices.

## 2 SENIORS GET SCHOLARSHIPS

Miss Arlene Hill, Miss Eleanor Swain Offered Full Tuition Awards.

Awarding of scholarships to two members of the graduating class of Harding high school has been announced.

Miss Arlene Hill has been offered a scholarship by the college of engineering at the University of Cincinnati. She was one of eight students chosen from Ohio, Pennsylvania, Indiana and Kentucky. Miss Hill applied for the scholarship through the office of A. C. May, principal of Harding High school. May sent the application, her grades and a letter of recommendation to the university.

Her scholarship is for full tuition for one year and is renewable. Uncertain that she will accept the scholarship, she is interested in chemical engineering and is applying at Marion war plants for summer work in chemistry. Miss Hill is the daughter of Mr. and Mrs. Forrest Hill of 634 Grand avenue.

Miss Eleanor Swain received notice on her birthday Wednesday of the award of her scholarship to Florida State Mather college of Western Reserve university in Cleveland. Miss Swain became interested in the college when visiting friends there. At high school this spring she talked with the college interviewer who advised her to visit the college for further interviews and short examinations. Early in May she went to Cleveland and interviewed officials and professors at the college. The scholarship she has received is for full tuition for one year and is renewable.

Miss Swain plans to study social work. The daughter of Mr. and Mrs. J. B. Swain of 126 South Seifer avenue, she was co-editor of the Harding Herald during the past year.

near the Thistlewood track and its operators convicted. Another illegal station was found in Massillon, O., in November, 1941, by the Columbus RID mobile unit and its operator convicted. This station, according to the report, was operated on frequencies usually used for international communication.

The RID maintains monitoring stations from coast to coast to listen for illegal transmissions, including espionage. When a monitoring station hears a suspicious signal which it can not identify, it rushes a mobile unit equipped with sensitive detecting and long-range direction finding devices to the approximate location and from there, with tiny direction finders, traces the signal to a particular room or office in an apartment house or office building.

The FCC explained there are 12 primary, or basic, stations with elaborate equipment. The primary station for Ohio is at Allegan, Mich. For three years there has been a secondary station at Westerville, O., under the direction of L. L. Menette. This station will be closed June 1, the commission announced, as a result of reduced appropriations.

"Northern Ohio," the announcement said, "will be covered by the secondary station at Detroit, southern Ohio by the secondary station at Lexington, Ky. Whenever these stations hear suspicious signals from Ohio, they will speed mobile units to the state."

The report on Ohio said one illegal station, used by "race track hounds" for beating the bookies, had been eliminated in a house

Mr. Kelly also gave a brief history of the bureau and concluded by citing some pre-war investigations which have materialized since Pearl Harbor. L. Otis Porter, manager of Marion Water Co. was introduced

**U. S. Rocket Planes Destroy Nazi U-Boat**

By The Associated Press  
WASHINGTON, May 26—Use of rockets by navy bombing planes in the destruction of a German U-boat was disclosed yesterday by the navy.

It was the first attack with the new type projectile developed by the navy, and the announcement indicated rocket-firing planes have been operating several months.

The two planes—Gruman Avengers—located the Nazi submarine on the surface.

"Attacking with rocket projectiles developed by the United States navy and backing this new-style onslaught with older weapons," the department said, "the American aircraft apparently destroyed the enemy without damage to themselves."

# Marion Thumps Zanesville Dodgers with 7 Run Outburst in Sixth

## Eric Schultz Posts Third Win As Locals Win, 7-3.

By CHARLES ELLIOTT  
Star Sports Editor

THOROUGHLY subdued for the first five innings by Don Schmidt, slender ace of the Zanesville pitching staff, the inconsistent but potentially dangerous bats of Marion's Ohio State leaguers exploded in the sixth frame for all seven runs to give the locals a 7 to 3 victory over the Dodgers of Jack Knight in the "rubber" game of a three-contest series at Lincoln park last night.

Grover Hartley's unpredictable crew was ably handcoffed for the first five-innings of the game by Schmidt, who gave up not a single single for the first four stanzas and eased up for two in the fifth. Schmidt pitched perfect ball for the first four cantos, not a Marion man reaching first base. The way Schmidt was nailing the locals, the one run the Dodgers scored in the second inning seemed enough for victory—that is, until the merry sixth.

Came first inning, not it was simply Bang! Bang! Bang! Before Schmidt and his Lodger mates knew what was coming off, seven Marion runs had crossed the plate on six hits. Ten men batted against Schmidt in the sixth, Marion hurler Eric Schultz using the first and the last sticking to face him in that tuning.

Zanesville made a none-too-spirited attempt to effect a rally in the last inning but stopped at two runs for their final total of three. The biggest man on the Marion squad, Eric Schultz, went the whole route for his third victory of the season against one loss. The big right hander was solved for 10 hits but he proved tough in the clutches and kept the Dodger safeties fairly well scattered. You would think the rate Schultz has been playing this week he would have been in no shape to hurl nine innings of ball last night. He subbed at first base for both the Tuesday and Wednesday night games. He went in at center field for a spell at Newark last Saturday night.

Marion was confronted with the problem of not having a regular first baseman last night but Francis "Red" Bailey, winning pitcher in Wednesday night's contest took over the first sacker's duty and did a praiseworthy job. He committed no errors and made 10 put outs.

The win was Marion's second in as many nights over the Dodgers and gave the locals a 2-1 edge in the series. After Zanesville won the opener, 7 to 3, Tuesday, the locals roared back to annex a 7 to 5 win Wednesday.

Zanesville's Schmidt, who was handed his third defeat against four wins last night, pitched championship ball except for the sixth. Outside of the fifth and sixth stanzas, Marion was unable to collect a hit off Schmidt. In fact, those two innings were the only frames in which Marion could get a man on base. The dodgers, played heads-up, top-flight ball if the sixth is not considered. However, in that frame everything seemed to go wrong.

Schultz opened the sixth with a single through the box. Bill Morneweg laid down a bunt and beat it out for a single. Schultz moving to second, Labanara walked, filling the socks. Viri Minnis, left fielder who's a menace at the plate with men on base, ripped a single over second base into center field, scoring Schultz and Morneweg. Shortstop Bob McDonald walked. Warren Blunt, right fielder, forced Labanara at the plate. First Baseman Dick Bishop to Catcher Dick Oddo.

Squeeze Play Works. One of play's oldest strategic plays, the squeeze play, was then successfully pulled by Marion's Bob Boddy, who bunted about 15 feet in front of the plate. Minnis, left fielder, R. T. Lewis came in. Catcher Ed Hansen

thumped his first hit as a Marion player, singling past second base to drive in McDonald and Blunt. "Red" Bailey poked another one-bagger scoring Boddy and Hansen, with runs 6 and 7 on the Marion side of the ledger. Schultz, who started all the fireworks, grounded into a double play. Third Baseman Attavi to Second Baseman Morrison to Bishop at first.

Bob McDonald was the first Marionite to hit safely off Schmidt, doubling to deep left center in the last of the fifth. After Blunt grounded out, Boddy hit an infield single. With two men on, Schmidt calmly and serenely and forced Hansen and Bailey to ground out, pitcher to first.

Zanesville Second. Catcher Oddo began the one-run Zanesville second with a double to center field. Shortstop Mikesell walked and on the fourth ball, Catcher Heisenla let the ball roll back to the stands. Oddo took third on the passed ball. At-bat forced Mikesell at second. (Turn to BASEBALL, Page 13)

## LOCALS OPEN SERIES WITH MIDDLETOWN RED SOX TONIGHT

After Three Games Away Marion Will Return to Lincoln Park.

Marion opens a three-day away-from-home stand at Middletown tonight against the Middletown Red Sox in a game which will see Randy "Lefty" Edwards or Bob Dennany, another portlander, hurling for the locals, who will be out to climb out of the Ohio State league bottom floor. The game will be played under the lights, being scheduled to start at 7:15.

This series will be the second between the Men of Grover Hartley and Red Barnes Red Sox. The first series was staged at Lincoln Park here two weeks back and the teams came out even, each gaining a victory and the scheduled third game being postponed because of wet grounds.

After the Middletown series, which runs tonight, Saturday night and Sunday afternoon, the locals return to Lincoln park for a four-game conflict with the Lima Red Birds. Opener of that series will be played Monday night at 6:30. A Memorial day doubleheader is on tap for Tuesday afternoon and a single game Wednesday night.

## MORNEWEG HITS SAFELY IN 8 STRAIGHT

Bill Morneweg, Marion center-fielder, on option from the James-town club of the Class D Pony league, has hit safely in eight consecutive Ohio State league games, the total Marion loop which he has played Morneweg's hit last night was an infield single. While at Jamestown, Morneweg did some pretty fair stroke hitting, getting bingles in four straight contests. The victories in all three Zanesville-Marion games posted run totals of seven. Two scores were identical, the first and the last, although the winners and losers were interchanged. Judge W. Dexter Hazen, Marion club president, reports bleachers may be installed at Lincoln park for the big Memorial day doubleheader with Lima. Deitrich, who played outfield for Zanesville in the series here, may pitch for the Dodgers in their game against the Springfield Giants tonight. A substitute for a substitute was Johnny Marshall of Marion, base umpire for last night's game. He replaced Bert Curtis, who was unable to work the game last night because of illness. Bert had pinch-hit for the regular ump in the first two tilts. Marion's team was scheduled to leave for Middletown by bus at 8 o'clock this morning. When Eric Schultz went to field a measly Zanesville bouncer near the pitcher's mound in the early stages of the game last night, he tumbled to the ground but picked himself up in time to throw the runner out at first by an eyelash.

The competitive golf season for local linksmen will get under way at the Country club Sunday June 4, when the first in a series of matches is scheduled between the Country club team and Mar-O-Del course swingers.

These inter-club matches are played every year and in the past the honors have been about even. This summer, the two teams again appear about equal in ability, with many of the city's top flight golfers having gone into the service.

A return Country Club-Mar-O-Del affair is slated for the Mar-O-Del public course on Route 23 Sunday, June 18.

Harry Mounts county auditor who along with Marion Hinkley, county treasurer, operates the nine-hole Mar-O-Del course, says his links has received heavy early season play and even more golfers are expected with the advent of warmer, and not so rainy weather. Much of the Mar-O-Del rough which in the past has provided the undoing of many golfers has been eliminated because of the acute shortage of golf balls arising from wartime conditions.

Harry Eibling is in charge of the Mar-O-Del club house. The Country Club is without a full-time pro this year, Ben Miller, for many years a stand-out local linksmen, doing a part time job. Miller has a regular job and is able to devote only a few hours of each day to his Country Club duties. Mr. and Mrs. Andy Dewar, club pro and club house operator respectively last year, have left Marion. R. T. Lewis comes in. Catcher Ed Hansen

thumped his first hit as a Marion player, singling past second base to drive in McDonald and Blunt. "Red" Bailey poked another one-bagger scoring Boddy and Hansen, with runs 6 and 7 on the Marion side of the ledger. Schultz, who started all the fireworks, grounded into a double play. Third Baseman Attavi to Second Baseman Morrison to Bishop at first.

Bob McDonald was the first Marionite to hit safely off Schmidt, doubling to deep left center in the last of the fifth. After Blunt grounded out, Boddy hit an infield single. With two men on, Schmidt calmly and serenely and forced Hansen and Bailey to ground out, pitcher to first.

Zanesville Second. Catcher Oddo began the one-run Zanesville second with a double to center field. Shortstop Mikesell walked and on the fourth ball, Catcher Heisenla let the ball roll back to the stands. Oddo took third on the passed ball. At-bat forced Mikesell at second. (Turn to BASEBALL, Page 13)

Marion's Schmidt, who was handed his third defeat against four wins last night, pitched championship ball except for the sixth. Outside of the fifth and sixth stanzas, Marion was unable to collect a hit off Schmidt. In fact, those two innings were the only frames in which Marion could get a man on base. The dodgers, played heads-up, top-flight ball if the sixth is not considered. However, in that frame everything seemed to go wrong.

Schultz opened the sixth with a single through the box. Bill Morneweg laid down a bunt and beat it out for a single. Schultz moving to second, Labanara walked, filling the socks. Viri Minnis, left fielder who's a menace at the plate with men on base, ripped a single over second base into center field, scoring Schultz and Morneweg. Shortstop Bob McDonald walked. Warren Blunt, right fielder, forced Labanara at the plate. First Baseman Dick Bishop to Catcher Dick Oddo.

Squeeze Play Works. One of play's oldest strategic plays, the squeeze play, was then successfully pulled by Marion's Bob Boddy, who bunted about 15 feet in front of the plate. Minnis, left fielder, R. T. Lewis came in. Catcher Ed Hansen

thumped his first hit as a Marion player, singling past second base to drive in McDonald and Blunt. "Red" Bailey poked another one-bagger scoring Boddy and Hansen, with runs 6 and 7 on the Marion side of the ledger. Schultz, who started all the fireworks, grounded into a double play. Third Baseman Attavi to Second Baseman Morrison to Bishop at first.

Bob McDonald was the first Marionite to hit safely off Schmidt, doubling to deep left center in the last of the fifth. After Blunt grounded out, Boddy hit an infield single. With two men on, Schmidt calmly and serenely and forced Hansen and Bailey to ground out, pitcher to first.

Zanesville Second. Catcher Oddo began the one-run Zanesville second with a double to center field. Shortstop Mikesell walked and on the fourth ball, Catcher Heisenla let the ball roll back to the stands. Oddo took third on the passed ball. At-bat forced Mikesell at second. ## ISBELL TAKES OVER AS COACH AT PURDUE

CECIL ISBELL, NEW HEAD FOOTBALL COACH AT PURDUE UNIVERSITY, SUCCEEDING ELMER BURNHAM WHO RESIGNED

FOR THREE YEARS, 1935-1937, HE STARRIED IN THE PURDUE BACKFIELD, BEING ONE OF THEIR MOST ACCURATE PASSERS OF ALL TIME

Ohio State football helm when Head Coach Paul Brown joined the Navy recently, will build his team around a group of eleven members of last year's all-civilian outfit which won only three of nine games. Most of the lickings, however, came at the hands of service schools or teams which were bolstered by Navy and Marine trainees.

The Bucks again this year will have to rely entirely on 17-year-olds and 4-F's. Beginning Sept. 30, the team will be in action on nine successive Saturdays, meeting Missouri, Iowa, Wisconsin, Great Lakes, Minnesota, Indiana, Pittsburgh, Illinois and Michigan in that order. Seven of the games will be at home. Wisconsin will be played at Madison and the annual tilt with Illinois will be played at Cleveland.

Widdoes wouldn't hazard a guess as to the prospects pending information on the number and ability of the incoming Freshmen. The curbstone depositions, however, have expressed belief the Bucks will have considerable strength, particularly if all the outstanding Ohio high school stars, reported headed for Ohio State, show up.

Seven of the returning eleven men from last year are linemen. They are Jack Dugger, end; Bill Willis and Russ Thomas, tackles; George Neff and Jack Redd, guards; Gordon Appleby, center and Paul Maltinsky, who played center last fall but who is to be shifted to guard this year.

Experienced backs expected for the autumn competition are Matt Brown and Paul Selby, quarterbacks; Bill Lonjak, halfback, and Paul Davis, fullback.

Central-Riley, third base; Rizzo, second base; England, pitcher; Andrews, short fielder; Smith, first base; Rea, shortstop; Eckert, catcher; Russell, left field; Fredericks, center field; Kiser, center field; Davis, right field.

St. Mary - Anderson, catcher; Worley, pitcher; Weiss, first base; Stuber, second base; Bruzzo, shortstop; Tobin, third base; Maniac, left field; Murphy, center field; Baldwin, right field; Riley, short field; Schuler, right field.

## TIGERS POST POOR RECORD ON BRIGGS STADIUM DIAMOND

.083 Home Mark Made by Bengalis; Harris Hurls Shut-Out.

By The Associated Press  
Steve O'Neil must be tempted to put the show on the road for keeps today after watching his Detroit Tigers lose their 11th of 12 Briggs Stadium starts for an .083 home percentage.

The loyal Motor City fans who have boosted home attendance over the 12,000 mark haven't seen the Tigers win since Johnny Gorsica turned back Cleveland, 4-2, in the second game of an April 30 doubleheader.

Lum Harris spoiled Detroit's Ohio State league race as a result: hopes yesterday with a three-hit shutout, and drove in one Philadelphia run for a 2-0 edge. It was the fourth win for Harris, who didn't allow a man to reach third.

While the Tiger troubles deepened, Al Javery finally broke his hard-luck string by blanking Pittsburgh with three singles. Pittsburgh's 1-0 victory was the first for Javery after six heart-breaking losses.

Pittsburgh Pilot Frankie Frisch was bounced by Umpire Babe Pinelli after an argument on a called strike against Pete Cozzano in this lone National league game, Cincinnati at New York and St. Louis at Brooklyn, night tilts, and Chicago at Philadelphia, were postponed.

The St. Louis Browns strengthened their hold on second place in the American, and advanced to within a game and a half of the idle Yankees, by shading Boston 3-2.

Mel Harder lost his bid for victory No. 202 the hard way as his own ninth inning error with the bases loaded sent the tying run across the plate and Washington went on to score two more for a 4-2 night game decision before 18,706 fans.

The Yankee-White Sox night game was rained out.

Cincy Reds Hope For Good Weather in N. Y.

By The Associated Press  
NEW YORK, May 26—The only marks made by the Cincinnati Reds in the record books thus far on their eastern invasion have been on the expense sheet as the Reds have spent two days in hotel lobbies and restaurants wondering when the weatherman will relent.

With two postponements behind them, the Cincinnati athletes hope to move into the Polo Grounds tonight against the Giants.

Bucky Walters pitches for the Reds, but Mel Ott, boss of the Giants, wasn't sure who his starter would be.

BUCCYRUS SOFTBALL  
BUCCYRUS, May 26—Buccyrus softball fans laid plans for organizing a league, this summer and planned another meeting for next week when a game scheduled will be set up, at the Y. M. C. A. Tuesday. The season opening is tentatively set for June 5.

## Cleveland Topped Into Last Place by Washington Nats

By The Associated Press  
CLEVELAND, May 26—Cleveland's Indians occupied the American league cellar today after losing another ball game the hard way.

It was Mel Harder night at the George Case came to bat and rolled a sharp grounder to Mickey Recco. The first baseman fumbled, the Tribe mound staff. The 34-year-old right hander turned back the Washington Nationals with an earned run but was beaten 4 to 2 when the Nats scored three

gift rallies after two were out in the ninth. Harder held a 2 to 1 lead going into the ninth. Then the Nats filled the bases on a single by Kukul and two bases on base. It was Mel Harder night at the George Case came to bat and rolled a sharp grounder to Mickey Recco. The first baseman fumbled, the Tribe mound staff. The 34-year-old right hander turned back the Washington Nationals with an earned run but was beaten 4 to 2 when the Nats scored three

Johnny Sullivan followed him across the plate before Harder could recover. Then the Nats worked a double steal, aided by poor throws by Buddy Roser and Lou Sudreau, for a superfluous run.

In pre-game ceremonies Mayor Frank J. Lausche presented Harder with a \$1,000 war bond, the gift of the Cleveland ball club.

The clubs resume their series at League Park today with Vernon Kennedy pitching for the Indians and either Early Wynn or Roger Wolff laboring for the Nats.

Idle Red Birds Now Tied for A.A. Lead

By The Associated Press  
Idleness as a way of life is not generally recommended, but it's a great thing occasionally for baseball clubs. Ask the Columbus Red Birds, deeded today with Milwaukee for first place in the American association.

Unable to overtake the Brewers on several previous occasions because they blew games at crucial moments, the Red Birds last night coasted into co-leadership the easy way. Wet grounds forced postponement of their engagement with Minneapolis while Milwaukee dropped its second straight game to Louisville, 7 to 5, and surrendered its half game lead.

St. Paul advanced to within four games of the top by splitting a double-header at Toledo, winning the seven inning opener, 2-0, behind the two-hit pitching of the veteran Otho Nicholous and dropping the nightcap, 4-2.

The revived Indianapolis Indians escaped from the cellar, where Minneapolis now dwells, by winning their third consecutive doubleheader and their fifth straight game. The scores were 8-5 and 6-1 over Kansas City.

## OHIO HIGH SCHOOL MEETS TOMORROW

By The Associated Press  
COLUMBUS, O., May 26—Take 1,039 boys, toss them into the same arena for a four-way show of baseball, track, tennis and golf and you have the picture today on Ohio State University's big campus.

Those boys will be competing for the 1944 Ohio high school track, tennis, golf and baseball championships. It's a two-day sports carnival, starting at 9 o'clock this morning and winding up some time late tomorrow afternoon. And, of course, if rain causes some baseball postponements that phase of the activity might drag over into next week.

## County Boys To Compete in Meet

Several Marion county boys are slated to compete in the state high school Class B track meet at Columbus tomorrow after qualifying with wins in the district meet at Delaware last Saturday. Two Marion boys, Robert Roberts and Wilmer Bibler, will take part. Roberts in the pole vault and Bibler in the 440 yard dash. Stanley Kirby of Prospect also may compete after placing second in the 220-yard low hurdles in the district event.

## War-Worker Mack Donates Tribe Suit Before Game

By The Associated Press  
CLEVELAND, May 26—Ray Mack, former Cleveland Indians' second baseman now employed at Thompson Aircraft Products Co. in war work, donated a Tribe uniform for the first time this season to work out with the team before last night's game.

Mack announced his intended retirement last winter, and reiterated his stand when, he said, his selective service board frowned on playing ball after work. Later the board chairman asserted Mack's spare time was his own and did not come under jurisdiction of the board.

(Continued from Page 12)

Bob McDonald to Ed Labanara with Odo scoring on the play. Schmidt then struck out. Tanner singled and was forced at second by Morrison to end the inning. Schmidt sort of took it easy in the ninth and two Zanesville runs came in. Mikosell opened with a single. Attavi followed with another single to left field. Schmidt grounded out. Labanara advanced. Tanner poked a long fly to Viri Minnis in left field and Mikosell came home after the catch. Morrison was safe on Aaron's only error of the game, committed by Shortstop McDonald who booted a grounder. Attavi scored the unearned run. Bishop put an end to proceedings by fanning.

About 300 fans were on hand for last night's game, despite threatening weather conditions.

A summary of the game follows:

ZANESVILLE AB R H O A E

## Summons Democrats To Select Keynote

CHICAGO, May 26—Robert E. Hannegan, Democratic national chairman, has issued a call for a meeting here June 15 of the party's arrangements committee to select a keynote and recommend a permanent chairman for the national convention.

Names of several of the party's leaders were mentioned by Hannegan at a press conference yesterday as possibilities for temporary chairman and keynote.

They included Gov. Robert S. Kerr of Oklahoma, Gov. J. Melville Broughton of North Carolina, and Senators Samuel D. Jackson of Indiana, Scott Lucas of Illinois, and James M. Mead and Robert Wagner of New York.

## Exchange Program Set by Kirkpatrick Grange

Plans for an exchange meeting with Grand Prairie Grange on June 13 were made Tuesday night at a meeting of Kirkpatrick Grange. The visiting grange will bring the traveling candle.

It was announced that Deputy Master E. A. Williams has called a meeting of masters and lecturers at the court room in the court house tonight.

The program included songs and talks by the members. Contest honors went to William Weir and Harry Burchfield. Lunch was served by Mrs. William Knowles and Mrs. Earl Speer. Mrs. Jessie Daugherty, Mrs. Milton Hord and Mrs. William Weir were appointed to the refreshment committee for the next meeting.

## Carey Nine Loses, 5 to 2, to Dayton Northridge

Carey High school's class B baseball team lost, 5 to 2, to Dayton Northridge in the state tournament at Columbus today.

Carey 000 000 2—2 8 2  
Dayton 002 201 x—5 5 3

Lab and Deanics: R. Hirsch, R. Lowrey, D. Lowrey and Scrafield.

RITES AT BELLE CENTER  
KENTON, O., May 26—Funeral was held yesterday in nearby Belle Center for Francis M. Bell, 65, farmer. His wife, three sons and two daughters survive.

CAREY—Dr. O. E. Ford, pastor of Carey Methodist church, left Monday to attend the annual Methodist Ohio conference in Columbus.

## Snatches of Sports

By HUGH FULLERTON JR.  
Associated Press Sports Writer

NEW YORK, May 26—Brooklyn fans' startled reaction to the discovery that you don't have to be a bum to be a Dodger merely emphasizes the fact that Eddie Basinski is just one of a long line of college ball players who have made good in the big leagues.

Eddie is the bespectacled youngster who came from Buffalo 10 to soothe that second base sore spot in the Dodger infield.

For the benefit of those who are surprised to find a mere collegian playing good baseball, here's a lineup of major league stars who had the benefits of at least some higher education:

Two Deep  
On second thought, make it two teams: first base, Lou Gehrig, Columbia, or Jake Stahl, Illinois; second, Eddie Collins, Columbia, or Frank Frisch, Fordham; third, Jimmy Collins, Canisius, or Joe Dugan, Holy Cross; short, Joe Sewell, Alabama, or Jack Collins, Holy Cross; outfield, George Sisler, Michigan, Harry Hooper, St. Mary's, Earle Combs, Kentucky (State Teachers, Birdie Croe, Penn State), Riggs Stephenson, Alabama, Louis Sockalexis, Holy Cross and Notre Dame, catcher, Mickey Cochrane, Boston U., or Bill Carrigan, Holy Cross, pitchers, Christy Mathewson, Bucknell, Jack Combs, Colby, Ed Reulbach, Notre Dame and Vermont, Ted Lyons, Baylor, Chief Bender, Carle, Eddie Plank, Gettysburg, Addie Joss, Wisconsin, and Orrie Overall, California.

## Sportsworld

Cecil Isbell was all set to return to the Green Bay Packers next fall when he was offered the head coaching job at Purdue. And chances are that Don (I Want Talk) Hutson still is boiling at the Boilermakers.

If the Dodgers can hold out long enough, they'll have a good shortstop prospect in Lloyd Waner Jr., who is playing that position in a cub scouts' tournament at Oklahoma City. His mother coaches the team.

Dale Stafford reports a feminine racing fan at the Detroit fairgrounds recently couldn't understand why she didn't receive \$1,500 for a \$2 win ticket when the program stated the purse was for that amount.

## Black Panther Wins Final Match at Armory

The Black Panther, Joe Wolf and Pat "Tex" Riley were the victors in the weekly Armory wrestling show Thursday night. Wolf split even for the evening, dropping the final match after posting a win in the semi-final.

The Panther triumphed over Wolf in the two hour final, coping two out of three falls. The Black Boy won the deciding fall in eight minutes with a head lock.

Wolf substituted for Steve Nenoff. Wolf took the last fall in his semi-final match with Gil LaCrosse of Boston by using a reverse crab hold. Irish Bill McGee was disqualified after 15 minutes had elapsed in the preliminary. The referee declared Riley the winner.

## MAJOR LEAGUE LEADERS

AMERICAN LEAGUE  
Batting—Tucker, Chicago, .356.

## Army Officer Faces Hanging in 4 Slayings

By The Associated Press

CAMP ANZA, Calif., May 26—An army court martial convicted Lt. Beaufort G. Swannett today on a charge of murdering four persons in a shooting affray here last March 3 and recommended that he be hanged.

The time and place of the execution must be fixed by the President.

Lt. Col. Duncan P. Prissell of the court informed Swannett, immediately after the penalty was announced, that a two-thirds majority of the court was present when the verdict was reached and that all 12 members of the court were present when the sentence was fixed.

The latter meant hanging was voted unanimously. Swannett charged with murdering his girl friend and three other persons, appeared during the last stages of his trial to be resigned to his fate. When the verdict was announced, he showed no sign of emotion. When the penalty was told, he likewise appeared unaffected.

The 31-year-old La Crosse, Wis., officer, testifying for two hours and 20 minutes yesterday at his court martial, offered no denial of the shooting but insisting he had no motive or intent to kill anyone, or any memory of such an occurrence.

Previously declared sane by the court, Swannett contended he suffered a mental blackout the afternoon of March 3, from which he did not recover for several days.

During that interval, the government charged, Swannett fatally shot his sweetheart, Miss Dorothy Douglas, 19, and her friend, Miss Lorraine Livermore, also 19, at an officers' club dance; his superior officer, Capt. Aubrey G. Serfling, and, later, a Riverside policeman, Arthur Simpson.

## BAKED GOODS SCARCE AS DRIVERS STRIKE

By The Associated Press  
DETROIT, May 26—Detroiters were virtually without bread and other baked goods today as 1,000 drivers for 46 bakeries handling 90 per cent of the city's supply reiterated their refusal to return to work until assured of immediate war labor board consideration of their wage demands.

Three other walkouts in Michigan brought the state's total to nearly 7,000 idle because of strikes.

The WLB warned bakery drivers after the walkout began yesterday that the strike was causing "serious interference with the distribution of needed foodstuffs," and advised it would take no action until deliveries were resumed.

## BIRTHS

Word has been received here of the birth of a son to Sgt. and Mrs. Charles F. Carr May 21 in the hospital at George Field, Ill. Mrs. Carr was formerly Miss Mary Jane Stouffer, daughter of Mrs. Dicky Stouffer of LaRue. The baby has been named William Lowell.

Machinist Made First Class and Mrs. Francis E. Hacker of 177 Silver street are parents of a son born at City hospital this morning.

## 2 Parties Organize in Crawford County

Special to The Star

BUCKYRUS, May 26—Crawford county Republican and Democratic central committees elected chairmen at meetings held this week and Republicans named their executive committee members.

Democrats will meet again next week in a caucus to name executive committee members.

J. W. Loomis of Buckyrus will head the Republican central committee this year and A. H. Weiss of New Washington was elected chairman of the Democratic central committee.

Other Republican officers elected were Earl Leonard, Buckyrus, secretary, and G. M. Badley, Galion, treasurer. Democrats named Paul Auch, vice chairman; Morris Kinsley, North Hobbsen, secretary and M. V. Snyder, Crestline, treasurer.
